## Horst Schmid in Elk Point

By Irene Magnusson

The Hon. Horst Schmid, Minister of Tourism for Alberta, paid a brief visit to the town of Elk Point, at a supper meeting with some 30 persons attending.

Schmid emphasized the importance of tourism to the Alberta economy, and added that this could prove especially valuable in this area, which is experiencing a severe slowdown in the oil patch.

This year's Tourism slogan, "Take An Alberta Break", is in part designed to entice tourists on their way to or from Expo '86 to stop over in Alberta. "And what better area than the Lakeland in which to take a rest?" Schmid asked.

The Minister heard a request from Frank Mayner, head of the Forts Restoration Committee, that some attention be given to the immediate restoration of Fort George and Buckingham House, the early fur-trading posts south and east of Elk Point. There have been surveys and estimates, for three different levels of restoration, the one for complete restoration, with attendants and guides, the second

for partial restoration and the third, for signing and some cleaning up, etc., on the grounds.

Mr. Schmid was not at all hopeful that a full restoration could be attained. Rather, he suggested Elk Point and District put forward ideas for attracting tourists of other natures.

"Look around you," he suggested, "and see what you have to offer." He further suggested that tourists do not come merely to see lakes and parks - they can see them anywhere - but might come to view some special attraction, citing the Vegreville giant Pysanky as an example.

Elk Point, you could put on your thinking cap and bring forth any bright ideas you can come up with that would attract tourists. One suggestion was the Fort George Museum, belonging to Steve Andrichak, but it was not known if he would co-operate in any expansion of viewing hours. It is known he has a wonderful collection of artifacts.

Sid Holthe, hosting the visit, thanked him for his time, and considerations, and promised some ideas in a brief shortly.

John Drobot, incumbent

TOURISM MINISTER HORST SCHMID — Drobot and Progressive Conservative Association member Sid Holthe. (Right) was welcomed to Elk Point by MLA John

M.L.A. and candidate in the coming election, was on hand, as were Elk Point and area residents interested in increasing the tourist trade, as well as other aspects of the local economy.

Mr. Schmid mentioned the new Heritage Lodge in Elk Point, giving praise that the community wanted to look after the elderly in its midst. He suggested the oil prices will soon be more attractive, in fact there may even be shortages before too long, and ad-

ded that the media are prone to speak gloom and doom too often.

On the farm front, he said more once-starving countries now produce not only enough for themselves, they export as well. Canada has to fight harder for the available markets. He mentioned expansion taking place in other industries, lumber, etc., and added that the oil up-grader planned for the Lloydminster area will in fact go ahead. All these will be good for the

economy of the area.

"Take An Alberta Break" will loom large on our horizons soon, as this slogan hits the road. It should be on every lip before long. Meanwhile, get ready for the tourists. Make them come — and stay, Schmid reiterated.

Note: Any Tourist Attraction ideas you can come up with are welcome. Get them in to the Historical Society, to the Chamber of Commerce, or to the Lakeland Review Office.

## Fatal collision

A collision with a motorhome parked in a farmyard has left Raymond Fryingpan, 25, dead and Gary Fryingpan, 19, in Elk Point Hospital with multiple injuries. Both men are from the Frog Lake area.

The accident occurred Wednesday, April 30, at approximately 6:15 p.m. when the southbound Fryingpan vehicle left Highway 41 approximately one mile north of Elk Point and veered into the yard of Evelyn and Leon Babcock, where it crashed into the motorhome.

No charges have been laid in the accident, which is still under investigation.

DEATH VEHICLE — Raymond Fryingpan of Frog Lake was the driver of this vehicle which went out of control and struck a parked motorhome last Wednesday one mile north of Elk Point.

## Recreation Board disbands

The Elk Point and District Regional Recreation and Cultural Board voted unanimously to disband at their meeting last Tuesday, thus calling an uneasy halt to the funding problems which have plagued that group.

Ironically, the Board was just formed in the early 1970's, to access additional grant funds for recreation in both the town of Elk Point and Divisions I and II of the County of St. Paul. These grants

have provided the major part of the Board's operating budget throughout the years, but as the Board's mandate has grown, so has its expenses.

The 1986 budget presented to both the Town of Elk Point and the County of St. Paul asked additional funding from both municipalities. However, neither group responded favorably to the request, although both assured

# Heinsburg host music showcase

Musicians and singers from schools throughout the County of St. Paul converged on Heinsburg last Wednesday for the Fourth Annual Music Showcase.

Music ranged from breakdance to baroque, '50's rock to New Orleans jazz on the varied program presented by students from Elk Point, Ashmont and Mallaig, as well as from the host school.

The F.G. Miller Grade 8 and 9 Band, conducted by Don Bury, opened the concert with "O Canada" and went on to show their versatility with a lively number entitled "Pepsi!", a sweet melody with brass overtones called "Come In From The Rain", and the staccato rhythms of "Breakdance Brass".

Thirty one students of Ashmont Elementary School were directed by Cathy Burton as they performed a rhythm chant, "Stand Tall", sang a sweet song of spring, "Pussywillows, Cattails", with recorder accompaniment, played "Born Free" on recorders and accompanied their interpretation of "Yellow Bird" with gestures, bongo drums and other rhythm band instruments.

Another rendition of "Yellow Bird", along with country-style melodies of "Take Me Home, Country Road" and "Bad, Bad Leroy Brown", plus the rock'n'roll cadence of "Rock Around The Clock", came from the Ashmont Grade 8 Band, enthusiastically conducted by George Parrot.

Elk Point Elementary School students were accompanied by Don Bury on piano for two choral numbers, "A Voice From A Dream" and "Make A Song For My Heart To Sing". The group also performed "Four Strong Winds" on soprano, alto and tenor recorders.

Mallaig Junior High School Band, which started only this past January,

did a fine job of "A Touch of Baroque", under the direction of Thelma Madge. Ms. Madge later accompanied Kim Swanson in a flute solo entitled "He's Got The Whole World In His Hands".

Ashmont Elementary students once again took the spotlight, to perform "You Are My Sunshine" on recorders, and to sing a humorous song about old age entitled "Get Up And Go". They then "Whistled A Happy Tune", with a cameo performance by their xylophone player, and wound up with an action song called "Ice Cream", each singer with a tissue paper 'ice cream' cone in hand.

The sixteen-member F.G. Miller Grade 7 Band entertained with the folk-style numbers "Michael Row The Boat Ashore" and "One Tin Soldier" and later switched to the upbeat sounds of "New Orleans Jazz".

The Grade 5 and 6 French Immersion music students of Mallaig Elementary School performed "Je T'appartiens", with Norman Corbiere, Chris Dechaine and Greg Dechaine backed up by a chorus, and

"Les Amours, Les Travaux" with a solo by Monique Bouchard. The students switched to English for a sprightly tune entitled "Sing It!".

Heinsburg Elementary students, directed by Marge Carter, presented four vocal selections, "St. Elmo's Fire", "That's What Friends Are For", a unique split harmony version of "You Are My Sunshine" blended with "Let The Sunshine In", and a very entertaining action song about the Garden of Eden, "I Know It, Know It", narrated by Deanna Hendricks and with Kirsten Sanders on piano.

The Ashmont High School Band, resplendent in stunning red jackets, made a colorful contribution to the program, and displayed their talents in a diverse selection of numbers: "Just A Gigolo", "I Ain't Got Nobody", "Footloose", "All Time High" and a medley of 1950's rock and roll numbers. Ashmont High also accompanied the rest of the performers in the grand finale, as everyone joined in "I'd Like To Teach The World To Sing."

Re the Pioneer Circle Floor Curling Tournament, last week, I made an error in my report. The Lena Kuziw rink was not first out, as reported, but was in fact 3rd in the B event. The Erika Bender rink received the first out keepsakes. Nor, as reported in caption under the picture, has Marg Clark returned to President. As Sports Director, she PRESENTED the awards. My apologies.

Friday, May 2nd, could not be called a dull day — and I'm not referring to the opening of Expo. Over at the F.G. Miller High School in Elk Point, it was Public Speaking Day. With some 29 acts on the lists, the morning in the Gym was a full one.

Grades 7 to 12 took part in the event, with a wide variety of offerings; Original Oratory, Oral Interpretations, (both solo and in groups), and Solo Acting. Some of the students used highly imaginative costuming and props. The subject matter ranged from witty through humorous, to dramatic to touching to informational.

Teacher Lawrence Pidluzny was Master of Ceremonies, with Judging by Carol Helquist, Lawrence Modin, Margret Modin and Sharon Kuhn. The English teachers organized the affair.

Finalists were as follows: Grade 7: Tina Bjorkman - original oratory "Optimist Topic"; group Kim Bugera, Barbara Nabor, Charlette Lazicki, and Shauna Seniuk - oral interpretation, "African Night". Grade 8: Margret Bayduza - oral interpretation "Lady Claire"; Bryan Bepalko - oral interpretation, "Hockey". Grade 9: Angel Ference and Jackie Gulayec - oral interpretation, "The Cremation of Sam Magee"; Shaun Sheplawy - solo acting, "Christmas Today". Grade 10: Darwin Roscoe - original oratory, "Slang"; Ken Hansen and Albert Lim - original oratory, "Saturday Night Live". Grade 11: Lorelei Wickham - oral interpretation, "Miss Heroin"; Wayne Smereka - solo acting, "Private Property". The restful Lakeland

It was mentioned last week by The Honorable Horst Schmid that the Lakeland tourist zone is "a good place to take a rest".

If you consider the old adage, "a change is as good as a rest", this is certainly so. Or if you can find a lake far from civilization, it is so. Otherwise, you are likely to be caught up in the whirlwind of events that characterize summer in the Lakeland.

From mid-May on, there are rodeos virtually every weekend, with their accompanying dances, midway attractions, chuckwagon races and the like. There are fairs, exhibitions, horse- and tractor-pulling contests, and livestock shows.

For the team sports enthusiasts, there are slowpitch, fastball and

softball tournaments. For the water sports lovers, there is swimming, sailing, boating and water skiing at our numerous lakes.

For those who prefer more slow paced activities, there is golf, camping, fishing and seeing the gorgeous scenery. There are museums and historic sites to visit, along with unique attractions such as a giant Easter egg and a UFO landing pad.

These are all in our own, beautiful and exciting tourist zone, the Lakeland. The Lakeland is an excellent place to "Take An Alberta Break". But we won't necessarily promise the visitors a rest — they are far more likely to have such a fun- and activity-filled time, they will have to go back to work to recuperate from their vacation!

Rest in Peace

Elk Point and District Regional Recreation and Cultural Board passed away Tuesday, April 29, after a brief illness.

It leaves to mourn, the members of the Board, and the recreation-minded residents of Elk Point, Heinsburg and surrounding areas.

The Elk Point and District Regional Recreation and Cultural Board was born in the early 1970s, the child of the Town of Elk Point and Divisions I and II of the County of St. Paul. The people of the region have seen recreation grow and expand over the intervening years, and have delighted in the part it has played in our lives.

The cause of death has not

been firmly established, although it is suspected that a lack of financial nourishment for the growing body may have contributed to the untimely demise. Apathy on the part of its members has been almost completely ruled out as a contributing factor.

Planning for summer recreation programs has come to an abrupt standstill because of the death of the parent body, and it is sincerely hoped that volunteers will step in to help out the sorrowing victims, as they attempt to carry on, on their own.

The Rec Board, the Rec Director, and the countless programs they have provided for us, will be sorely missed.

May it Rest in Peace.

4-H'ERS CLEAN UP — After messy motorists along Highway 28 last Saturday. Leaders, parents and members of the Elk Point Beef Club took on the task and reported that their most common find was (ugh!)

Recreation Corner

By Linda Simpson  
Recreation Director

Today, May 7th, marks my last day as Recreation Director for the Elk Point area. Despite all of the friendly people that I have met during my stay, I have decided to accept an offer from the Town of Grand Centre to work in their Recreation Department. I have certainly enjoyed my experiences in Elk Point and have gained some invaluable insight into my job. I have come to recognize how obviously recreation-minded this community is and I have witnessed many examples of tireless volunteers doing a tremendous job for their organizations(s). Let me just say, "Keep up the good work!" Remember that nothing worth having comes easy. And be sure to stop once in a while and pat yourself on the back for all your efforts.

I would like to thank the Elk Point & District Regional Recreation and Cultural Board for hiring me. They have been a very enjoyable group to work with and I appreciate being given the opportunity to try new things. I would also like to thank Barb and Bill Milholland for offering accommodation to me when I first arrived, and then for putting up with me

after I accepted. I have met some very nice people and have made some lasting friendships.

Thank you very much!

**Elk Point & District Gymnastics Club:** Yes, a club is being formed for the fall session of gymnastics. For more information, or to get in on the action, phone Donna at 724-4375.

**Minor Ball:** Coaches and organizing volunteers are desperately needed for minor ball. Youngsters have registered in the program and, for the most part, teams have been organized. However, with the absence of the Director, this program will rely solely on volunteers to get it going. The funds from registration fees will be turned over to a volunteer group who wishes to purchase equipment for the season. Additional equipment can be signed out at the Recreation Office. In the event that no volunteers get organized, all registration fees will be refunded.

**Heinsburg Fastball Tournament:** The weekend of June 7th and 8th marks the date of this tourney to be held at the renown Lakeland Ball Park near Whitney Lake. Both Men's and Ladies' teams are welcome to play. For more information, phone Ken at 943-2141 or Parrish at 943-3932.

Elk Point R.C.M.P. Detachment members are pleased to announce the continuation of the Safe Grad program, this year again including the graduating classes of Frog Lake, Heinsburg, and Elk Point. As was the challenge last year, all graduating students will sign a declaration stating that from noon on the day of their graduation ceremonies until noon of the following day, they will neither operate a motor vehicle while their ability to do so is impaired nor will they be a passenger in a vehicle operated by an impaired person. In return for this pledge, Elk Point R.C.M.P. members will be collecting pledges from residents, merchants, community clubs, etc. to be given to a charity chosen by the grad class members. If a grad class member fails to uphold his/her agreement, all funds collected on behalf of that particular school will be returned to the contributors.

All those interested in contributing to this most worthwhile program are invited to contact the Elk Point R.C.M.P. Det. To date, the Heinsburg Grad class has chosen the Red Cross to be their designated charity, Frog Lake, and F.G. Miller High School of Elk Point have yet to choose a charitable organization.

Letter to the Editor

Looking for motives

Dear Editor:

I wish to respond to a statement made in your April 30th issue:

P.4 "Why are we looking for motives, instead of expressing our gratitude, and allowing the future to take care of itself?"

We are looking for motives because long years of having no opposition produce a government which expects gratitude from those who elect it — a government which at times seems to forget who serves who in this game of politics.

At this time many doubt the ability of the future to take care of itself — and feel that only a government kept on its toes by a vital and responsible opposition can hope to meet the challenges the future offers.

The Fort George-Buckingham House restoration project, lobbied for since 1936, does not appear in the promises — along with needed aid for struggling family farms.

No, I don't think the motive-questioners should feel ashamed — and express gratitude for goodies so lavishly provided for them out of the tax and royalty revenues collected from the fruits of their own labours!

They should trust their own judgement — and select the one of the four perfectly credible candidates running for provincial office who can most effectively express their needs in the provincial arena.

## MOTHERHOOD

As a child, I would bring home pictures on that special Mother's Day And as I grew the gifts became more creative in an odd and funny way But I always knew, no matter what the gift My mother would smile and say "It's beautiful darling, I love it and I'll never throw it away"

Now that I'm older and have a child of my own I wait for that special day To say the words my mother said to me "It's beautiful darling, I love it and I'll never throw it away."

## Words of love from some of the entrants in our Mother's Day poem contest

### MY MOTHER

There's a woman I know who listens,  
To every word I say.  
A lady of the sun and sky,  
A woman who makes my day.

And thoughts of her grow deeper,  
With my love for her  
That grows stronger.  
And I wish each day  
That I spend with her,  
Would last a little longer.

And though I may have never  
Said how much I really love her,  
I'm proud to say that this lady  
Is a friend as well as my mother,  
And I love her with all my heart.

### MOTHERS

Who first held us when we were born?  
Who got up and fed us at night and early morn?

Who dressed us up so warm and snug  
and gave us that special hug?  
Who watched us take a step and walk?

Who smiled so sweetly when we began to talk?

Who drove us to school on that first day?

Who cried as the teacher took us away?

Who drove us to that skating rink or movie show?

Who never really had time, herself, to go?

Who watched upon us as we grew older?

Who noticed how we got a little bolder?

Who smiled at us so tenderly on graduation day?

Who didn't really want us to leave home and go away?

Who worried as we left home and went on our way?

Who still, worries today - although she does not say?

Who is this dear person who has done this all?

Who is this person, we still, for advice call?

Who is this person we probably can never repay?

Who is this person - you wonder and say?

Why, it's Mother - whom we should treat like a queen on Mother's Day.

## SIMPLE UNDERSTANDING

In my raw and aching heart,  
I know I mustn't be this way.  
This darkness that enfolds me  
weighs heavily upon my shoulders  
and makes me want to weep  
with untold frustration.

Clammy grief, I can't  
rid myself of,  
but before I

topple to my breaking  
point —  
She reaches deep  
with some understanding

and stoic patience  
to grasp the soul  
before it's lost.

## SPECIAL MOTHER

When I was young she dried my tears  
When I was scared she comforted my fears  
Now I am older and on the go  
And her favorite word seems to be "no".

I ask her "please trust me" and what does she say  
"I trust you a lot, except when you're away"

In grade two we made a Mother's Day Card  
And when you're that little, it is very hard.

M is for the many meals she makes  
O is for the oreo type cookies she bakes

T is for the time she spends with me

H is for her help in history  
E is for the gross eggs she makes me eat  
R is for the racing, it's me that she beats  
A pretty good card I made for her except I addressed it "my special Mother"

She was kind when she got it and didn't say a word  
And to a little grade two'er it never occurred  
till many years later finding it in a drawer  
this poem is now for "my special Mother".

## MOTHERS

Mothers!  
What are mothers?  
Are they slave drivers?  
Or are they like covers?  
Which you wrap around  
in the darkness of the night.  
Do they see you safe and sound?  
Are they like a golden light?  
Shining in the darkness of life.  
Are they your guardian angel?  
Or are they only a wife?

Are they a mongrel?  
To be abused and ill-treated  
Like so many mothers are today?  
Do you take the time  
In the month of May  
And spend a dime  
To say  
"Happy Mother's Day".

## FOR A SPECIAL MOM

My mother is clever.  
My mother is sweet.  
She never ever  
Reminds me to make my room neat  
Because she trusts me.  
I can tell by the twinkle in her eye,  
That she can see  
I would never lie.  
She cooks and she cleans  
She helps me all the time  
When she explains things  
I know what she means,  
She does all this and never makes a dime.  
But that all changes on Mother's Day  
For on that day she gets all the presents she deserves.

So in the month of May,  
Be kind to your mother and she'll be glad you did.  
And so will you on that day.

Callie Baumgardner  
Grade 5

## MY MOM

My mom is number one.  
She likes to laugh and have lot's of fun.  
She runs lots of errands.  
And doesn't make a dollar.  
She make me feel happy  
When I am really sad.  
My mom is very kind.  
And feels sorry for the deaf and blind.  
You are very sweet mom  
And you deserve a good treat.  
I really love you.  
Especially in blue.

Brad Poiras  
Grade 5

## MY MOTHER

I love my mom  
Because she buys me bubble gum,  
She washes my clothes  
while I doze  
She also swatts the flies on my nose  
She takes me from place to place  
And when I'm tired, she washed my face  
She tries her best  
To meet my every request.  
She gives me money when I need  
She is very good to me, yes indeed  
She teaches me how to be neat,  
And my Mom cannot be beat.

# Local dancers at festival

By Irene Magnusson

Young people with the Mannawanis Dance group from Elk Point and area entered in competition with other dancers in the north-western areas of Alberta, at the 1st Annual Evergreen Dance Festival in Whitecourt, Alberta. This Festival, sponsored by the North Regional Dance Teachers Association, was held in the Hill Top High School, April 26 & 27.

Entrants were from Edson, Whitecourt, Mayerthorpe, Onaway, Stony Plain, St. Paul, Gibbons, Elk Point, Morinville and Fox Creek.

The Adjudicator was Mrs. Eileen Dodds, of Sherwood Park. The Mannawanis Dance students from St. Paul and Elk Point participated, with standings as follows:

Beginners Jazz Solo - 9/10 yrs. - Tanya Kenyon, Elk Point, 3rd;  
Beginners Jazz Solo - 11/12 yrs. - Nicole Fontaine, St. Paul, 2nd; Gayle Fakeley, Elk Point, 3rd;  
Beginners Jazz Solo - 13/15 yrs. - Rachelle Tessier, St. Paul, 2nd;  
Beg. Ballet Solo - 9/10 yrs. - Elizabeth Ludlage, of Elk Point, 2nd;  
Beg. Tap Solo - 9/10 yrs. - Audrey Ewart, of St. Paul, placed 1st.

In the Beginners category, only the students in their first year of dance may enter. In the Open category, students with more than one year of dance may enter. (All Mannawanis

students entering Open categories were in fact doing their first solo, in their first competition).

Open Jazz Solo - 9/10 yrs. - Kim Miller, of Elk Point took 1st; Open Tap Solo - 13/15 yrs. - Angie Miller, of Elk Point, 1st.

The trophy awarded for the Best Open Jazz solo under 12 yrs. went to Kim Miller of Elk Point.

Beginners Jazz Trio - 10/11 yrs. - Audrey Ewart, Nicole Fontaine and Cara Laboucane, all of St. Paul, 1st prize.

Beginners Jazz Trio - 13/15 yrs. - Nadine Dion, Sandi Krucik and Angie Miller, all of Elk Point, took 2nd.

Beginners Ballet Trio - 9/10 yrs. - Elizabeth Ludlage, Elk Point, performed with her two partners missing, placing 1st.

Beginners Jazz, Small Group - 11/12 yrs. - were Kim Miller, Rayelle Aarbo, Jolene Aarbo, Tanya Kenyon, Cindy Smith, Gayle Fakeley and Melanie Fakeley - 1st prize winners.

Many of these dancers will continue on to Edmonton to take part in the Alberta Dance Festival, from May 19th to 30th.

The year-end recital for the Mannawanis Dance Centre will be held June 20th, 1986, at 7:30 p.m. in the St. Paul Regional High School. Tickets will be available from the students after June 1st. Everyone is welcomed

to come and watch as the students present "The Wizard of Oz".

On the same weekend, April 26, another student, Anne Fenton of St. Paul, competed on the A.C.T. Search for Talent Finals on CFRN, in Edmonton.

Having watched these talented nimble-toed youngsters perform briefly at the Elk Point Volunteer Night, I would say this Evergreen Festival must have been a most pleasant event to attend. It is hoped we will continue to have the opportunity to see more of the artistry of local young people. It will enrich our lives.

The Mannawanis dance group has been active in Elk Point for about two years, and is taught by Lee Porta, of Edmonton. My thanks to Ms. Porta for the information on the Evergreen Dance Festival, which will be an annual event. The parents of some of the participants drove the youngsters out to Whitecourt, and as well some whose parents couldn't attend. For those who stayed for both days, motels were used.

One parent expressed her pleasure in having her child in the group, and said the "Elk Point Recreation Board has been most helpful, and co-operative," in allowing use of the CSC building for practices. Music for the dancers is supplied by tapes.

# Public speaking at F.G. Miller High School

By Irene Magnusson

Tuesday afternoon, April 29th, was an exciting time for a number of children in the Elk Point Elementary School. This was Public Speaking Showcase, when the winners in each category got up on stage to recite their pieces, before an audience of their fellow students, some parents

and teachers - and to receive their trophies.

The range of subjects to speak on is wide, with stories, poetry and readings among them. Time allotted is different in each grade, but all less than five minutes. The program in Elk Point is under the leadership of teachers Debbie Bury and Bernice

Poleschuk, and is an annual event.

Two class winners from each grade will go on to speak in competition with other schools. Elk Point winners will go to the County Showcase public speaking in Mallaig on May 6th, 1986.

Grades 1, 2 and 3 winners were: (l to r) Kelly Ballas, Gr. 3; Danelle Anderson, Gr. 1; Darren Watson, Gr. 1; Jennifer Rae, Gr. 1; Alecia Nielson, Gr. 1; Ryan Kozicki, Gr. 2; Justin Conrad, Gr. 2; Lesley Hildebrand, Gr. 1. All received trophies, distributed by former Elk Point teacher, Mabel Dumont, who said she was "enthralled to see what the kids can really do," and offered thanks to the teachers and parents for "so much help" received.

Grades 4, 5 and 6 received trophies from Karen Reed, from the Lioness' Club. Public speaking ability will be "an asset in years to come," she stated.

Winners of trophies in these grades were: (l to r) Kristian Kittlitz, Gr. 6; Tobey Conrad, Gr. 5; Gene Lee, Gr. 5; Douglas Irvine, Gr. 5; Chris Kittlitz, Gr. 4; Crystal McPherson, Gr. 4; Colin Bjorkman, Gr. 6.

The presentations were in progress when I arrived, and on entering the auditorium, there I saw a sea of children, sitting or kneeling on a rug on the floor, teachers and others in chairs along the side. Complete quiet prevailed as the speakers, in turn, ap-

proached the mike and delivered their offering. Some were philosophical, many humorous, with the audience responding well. All were a delight to hear.

As the children rose to return to their classrooms after the program, I was overwhelmed by their numbers. I had forgotten there were that many

'kids in the world, almost. It is certainly interesting to hear them speak so well, with confidence and clarity, and nice to know our future leaders have a voice.

Mr. Don Conrad, Elk Point Elementary School Principal has justifiable cause to be proud of the flock under his care.

**PRIMARY PUBLIC SPEAKERS** — (L-r) Kelly Ballas, Danelle Anderson, Darren Watson, Jennifer Rae, Alecia Nielson, Ryan Kozicki, Justin Conrad and Lesley Hildebrand received trophies from Mabel Dumont at last Thursday's speaking.

**LIONESS TROPHY WINNERS** — (L-r) Kristian Kittlitz, Tobey Conrad, Gene Lee, Doug Irvine, Chris Kittlitz, Crystal McPherson and Colin Bjorkman went on to represent Elk Point Elementary at this week's County Public Speaking Showcase in Mallaig.

## Clandonald News

By Shirley Osinchuk  
Clandonald Correspondent

"April is rain on week-ends. Mud on the kitchen floor. Dirt stains on the knees of blue jeans. Storm windows coming down, screens going up. Sparrows carrying straw up under the porch eaves.

"April is a great stirring. It is the door to May, the most gracious month of all."

Six of the junior high students took part in the student retreat held at Kitscoty High School. They were among the 255 teens who attended seminars on issues affecting young people today. They also took part in the mini-olympics (eg. throwing a paper plate "discus"), socialized at informal times, a dance, and lots of eating. Two nights were spent in homes in the Kitscoty area, but informants tell me they didn't do much sleeping. The retreat began on Friday evening, April 25, and went until Sunday noon. Besides learning new information, many new friends and acquaintances were made.

Congratulations to Gary and Cheryl Harasiuk, who were married on Saturday, May 3. We wish you a long and happy life together.

There will be a Mothers' Day "Sip and Sing Open House" at the Bible Fellowship Church on Saturday, May 10. The Tea will begin at 3 p.m., then at 4 p.m. a quartet of men, the Life-line Quartet from Three Hills, will

sing and lead a sing-song. Everyone is invited.

On Mother's Day, May 11, The Knights of Columbus will be preparing their always delicious breakfast in the hall. This is free to mothers, so if Mom doesn't appreciate you bringing her breakfast in bed, why not bring her out to the Hall and let the men do the cooking?

The Life-line Quartet, mentioned above, will be singing at the Mothers' Day service in the Bible Fellowship Church. This will begin at 11 a.m., and include a tribute to Mrs. Mary Forestall who has recently moved from Clandonald to Vermilion.

Following church there will be a Pot-luck dinner. You are invited.

The announcement last week of a change in church time was premature. Sunday worship will begin at 11 a.m. for the present.

The regular Fish and Game meeting will be held on Thursday, May 15.

Teen Fellowship plans to have guests from the Elk Point Baptist Teen Group on May 16. Weather permitting, there will be a ball game.

The ball teams are practicing, and league play will begin this week.

"We suppose you could call the bride's wedding ring a one-man band."

The bonds of matrimony are like any other bonds - they take a while to mature."

# Public speakers win in City

By Irene Magnusson

Two local children have won in public speaking in Edmonton. Tina Bjorkman, Grade 7, and her brother Colin Bjorkman, Grade 6, both of Elk Point, traveled to Edmonton on April 23rd, to take part in the Optimist Club Oratorical Contest, at St. Cecelia's School in the city. Their mother, Elaine Bjorkman and instructor Mable Dumont, accompanied the pair.

The subject both spoke on was "Optimism, A Way of Life." Each won a 1st, in their respective divisions. Medals were awarded. Both, as winners, will go on to compete at the Regional level (province of Alberta), at Medicine Hat. One girl and one boy is sent from each group.

The Medicine Hat winners will then go on to compete at the District

Level, which encompasses Alberta, Saskatchewan, Montana and northern Wyoming. The prize possibility here could be a \$1,000 scholarship award. An award well worth trying for - and one we can only hope our

local talent will attain.

The Optimist Club Public Speaking was instigated in the Elk Point area some years ago, by Mrs. Dumont, with many participants over the years.

**Are Your Young People Interested in the Oil Patch?**

While the Alberta oil patch has slowed down because of depressed oil prices, it's still a good area for senior high school students to consider when they're thinking about a trade or profession. If your son or daughter is interested in the oil industry, bring them to the Energy Information Centre to have a look at Alberta Manpower's Occupational Profiles. If they want to know what a geologist, an engineer, or a drilling or service rig crew member does for a living, we have the information — as well as job

descriptions for many more occupations!! Each job description provides an explanation of the qualification required for the job, and what its future employment outlook appears to be. If your young people are fast-approaching career choice time, I'm sure they'll find Alberta Manpower's Occupational Profiles worth reading.

### Lindbergh Environmental Study Group Release Reports

The Lindbergh Environmental Study Group released two reports at a meeting held at the King George Hall on April 15, 1986. The reports prepared by Western Research provide results of a year-long air quality

study and a comprehensive water well survey, both conducted in the Lindbergh area. The reports are available for study at the Energy Information Centre.

### "Energy Alberta 1985" now available

This publication would be most useful to junior and senior high school science teachers in their efforts to help students better understand Alberta's energy industry. The report, the most recent from the Energy Resources Conservation Board, provides a broad overview of Alberta's energy industries, including coal, oil, natural gas, oil sands, and hydro and electric generation. According to the report, Alberta now has an inventory of 43,000 producing oil and gas wells, 10,768 oil and gas batteries, 170,000 km of pipelines, 447 operating gas processing plants, 6 coal-fired electric generating plants, 19 surface and underground coal mines, 6 oil refineries and 25 petrochemical plants, and numerous commercial and experimental oil sands projects.

### Teacher's Resource Seminar — PRCF

The teachers' resource seminar held on March 10, 1986, sponsored by the Petroleum Resources Communication Foundation, attracted 16 junior and senior high school teachers from the Lindbergh area. Mr. William Loughran, the seminar instructor, provided a comprehensive overview of the energy industry that was both enjoyable and easy to understand.

## Dewberry News Roundup

**By Cliff Cunningham**  
Dewberry Correspondent

The Dewberry arena is getting a new corrugated metal roof on top of the old one. There were several men working on it last week and it is only half finished.

The Greenlawn and Dewberry districts put on a potluck dinner and farewell party for Alma Rainey at the Greenlawn Hall, April 24th with a large crowd of women turning out to wish her the best of luck in her new home. Alma has bought a house in Camrose to be close to her relatives there. We will all miss your nice smile, Alma.

Congratulations to Neal Jones for 50 years of service with the United Farmers of Alberta in the Dewberry district. Neal put in over 20 years as Mayor of Dewberry, also.

The Lions auction sale was at the Dewberry Hall, April 24th, with a small crowd turning out. They would like to wish all that donated to the sale the best of luck. If you did not have anything to put in the sale, hand in a cheque. That's what I did.

Happy Birthday to all that have a birthday in April, including my better half.

Our weather last week was from 30 above to 66 degrees above F with a light rain, cloudy and windy part of the time.

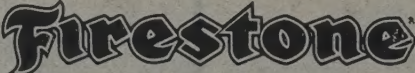

More history of Dewberry and districts: The year of 1910 saw 52 members paid up. In 1913 a lengthy discussion on advisability of dancing in the school house. There was much difference of opinion on the matter was dropped for the present. Feb. 17th, 1913 decided to order a drum of formaldehyde from T. Eaton Co. All

members placed their order. Cemetery committee formed with provision made for shares at \$2.00. Mr. R.A. Wilson, F. Collins, W. Anderson were appointed to the executive. July 5th, 1913 picnic report shows \$60.00 profit. July 19th correspondence of ordering as regards to fruit and honey. A delegation was present at the Aug. 2nd, 1913 meeting representing Lea Park Women's Institute: Mrs. Graham and Mrs. Babcock.

Jan 5th, 1914 Mr. Austin of the head U.F.A. executive addresses the meeting on the building of a farmers co-op elevator at Islay, Alberta. Feb 21st, 1914 secretary, W. Anderson to attend Lethbridge convention, to be allowed \$18.00 for expenses. Fred Collins, coordinator of Zone 1 L.I.D., asked for a \$75.00 grant for gopher poison, refused.

March 19th, 1914 formaldehyde to be handled by R.F. Blair and sold to members at 17½ cents per pound. R.A. Wilson loaned \$22.00 to buy this formaldehyde for the union. Secretary to write post office authority to have Dewberry permitted to handle money orders. T. Eaton Co. order for binder twine: 2,500 lbs. ordered. April 4th, 1914 gopher tail prizes will be awarded 1st \$1.00, second .75 cents and third .50 cents. This was made up by a silver collection of the members. Debate on women suffrage to take place for Mrs. Minard, Miss Smith, Miss Minard. Against - Wilson, Jack and Collins. Women declared winners.

If anyone is interested in going on bus tours this summer and would like to travel in small groups on short tours anywhere in Alberta, Wiebe Tours has a nineteen passenger Motorcoach as well as larger ones. I have information on several tours. You can phone me at 847-3753 or Stewart Travel, Vermilion, phone 853-4728. Lakeland Tours of Vermilion has a thirty-nine passenger bus also.

## Historical Society meet

By Irene Magnusson

The Elk Point and District Historical Society held their spring meeting on April 29th, at 8:00 p.m. in the Library meeting room, with all directors present.

The minutes and financial report were dealt with. There was a slight drop in the closing balance. Sales of books continues. Loan repayment, library donations and brochures were the main expenditures of the past year.

Sid Holthe reported on plans for the Bridge Opening, June 8th, 1986. A motion to pay the Society's contribution of \$400 toward ice cream for the event was carried. Treasurer Modin will draw a cheque in this amount and pass it to the Chamber of Commerce. Other suggestions were discussed to make the event as interesting as possible.

Frank Mayner, Restoration Committee, reported the road sign we asked for has been made, but no stand yet. It will soon be up. The Hudsons Bay flag requested is on its way. More urging has been done toward the restoration of the Forts. There has been no action. Historian Ila Borowsky reported on the Volunteer Night. Chairman Mary Bennett asked for reports on the Award Night at F.G. Miller High School. An award was made from the group. This will be continued.

Canada Day festivities were touched on. The members feel it is a strain on them to carry the flag in the Color Party, Grace Barwick suggesting we might get someone younger to do this

for us.

Mary Bennett agreed to make the Canada Map for the event, once again, and the stand made by Paul Stepa will be in use. Once again a decision must be reached as to using the float in the parade. In the meantime, it must be oiled or varnished. It is presently in storage.

A motion to donate \$250 toward the Canada Day celebrations was carried. This is the amount offered last year.

Ila Borowsky reported that the book "Ferry Tales", written by a Calgary author, is now on sale, for around \$25. Some stories of Elk Point ferries are in the book. Ila will purchase a copy.

Cataloguing of the artifacts, papers and pictures in the society's archives has not been started yet. It was felt more could be added to the store, once it was in order, as well it would be more accessible. Mary Bennett hopes to start work on this before too long.

Guest speaker for the evening failed to show up, or notify the chair. Mary Bennett stated the next meeting will be an annual meeting, and appointed a nominating committee. This will be in the fall. Other meetings may be called as needed. It was agreed by all that the Library was a very good meeting place. Mayner mentioned reading of other Fort Sites now completed, and suggests, "it must be our turn soon".

Coffee and squares were served by the chairman.
